Recorder Solos On Balkan Folk
Songs and Dances May 23
2020 Recorder/Solos. A small,
but representative collection of
well-known and lesser-known
beautiful melodies from the

Balkans. the carefully-chosen
melodies offer a rich, enjoyable
and varied book. the
arrangements and other
adaptations (keys, ornaments,
etc.) have been introduced to
make this beautiful South-
Eastern European music more
suitable for performance on the
recorder. It is recommended to
repeat each piece 3-4 times
because the melodies (like all
folk songs in the world) are
very short. A free piano
accompaniment plus audio
downloads are available for use
with this title. Free audio files
and piano accompaniment
available.

Fingering Chart for Soprano Recorder + Kodaly Hand Signs

Jun 16 2022 This book contains Kodaly's hand system, along with recorder fingering charts, for each note. This correspondence between note, hand sign, and finger position on the recorder is further enhanced by the inclusion of chromatic notes. The set includes 18 pictures with fingering positions for the soprano recorder, with pitch names and notations. The musical notes included are: C C# D D# E F F# G G# A Bb B

C D E F F# G Low F, Low F#, High F, and High F# have different fingering for Baroque and Germanic recorders. These charts are suitable for both styles of a soprano recorder. One side of the page shows the recorder fingering chart with note name and staff position, and the reverse side depicts the Kodaly (Curwen) hand sign for the corresponding note. Both sides are chroma note color-coded. Cut out the fingering charts and use them as visual aids for yourself, your kids, or your students. Use one side if you are learning or teaching the recorder fingerings and the opposite side for singing and solmization. The size of the cut-

out will be 7x10 inches (181x260 mm).

36 Traditional Native American Songs for Recorder Dec 10

2021 Flutes are a part of the Native American tradition. Original instruments have from zero to 7 finger holes, and each flute master designs their own instrument in order to find their own unique sound. Flutes, along with percussion instruments, were used for ceremonial and healing purposes. These songs were adapted here for Recorder musical instrument. The most difficult thing about playing Native American songs is their irregular rhythms. It might

change several times during a song because rhythm is generally more important than melody. Songs for American tribes are traditionally a method of communicating with their ancestors and supernatural powers. Music is used to help grow a harvest, bring rain, bring victory in battle or cure the sick. Music is seldom performed for its own sake and as a rule, the tribes tried to repeat sounds which were heard in nature (whispering winds, rain sounds, etc). That is why the rhythm prevailed and words were not so important. Some songs such as ceremonial or medicinal ones often were inspired by dreams. Here you can find

traditional songs, handed down from generation to generation We write the note numbers above the notes because our sheet music is aimed at absolute beginners. Just follow numbers and enjoy. Also, we add a QR code to each song. Follow the link and find this song on YouTube, so that you can listen to the rhythm before beginning to play. For which recorders are these songs suitable? These traditional American folk songs can possibly be played on a Soprano recorder, and several songs can be played on an Alto model. Table of Contents 1. Ani Couni. Arapaho Song. (Version 1) 2. Popular 8 Note Songs Book

2 Mar 01 2021 Includes Fingering Charts for the Recorder and Piano, a Harmonic Note Chart and Free Online Audio Tracks of all the songs! A Musical Adventure! To begin a new adventure, an explorer needs a map. Many individuals would like to start a musical journey, but the inability to read musical notation holds them back. This Music Pattern Song Book was created to give those brave souls a place to begin. It's Easy! All one needs to do is match the color blocks or letters in these musical song patterns to an instrument, and beautiful music can be made. This book works well with xylophones, glockenspiels,

recorders, hand bells, piano, harmonicas and more! Any instrument that can play an eight-note C to C scale can be used with this book. Fingering Charts for the recorder and piano are included. All of this book's song patterns are color-coded AND letter-coded, so as long as you know the fingering for the notes of your instrument, you can play along. In these song patterns, it is illuminating to see a visual representation of the sounds that you hear. Each song has structure and repeating patterns, but each one is unique. If you are a student of music theory, these colored patterns may give you a new perspective on the way music is

put together. A Place to Begin! Many parents and classroom teachers feel unequipped to teach the next generation about music because they had little opportunity to learn themselves. Sometimes, older adults who missed the chance to play an instrument when they were younger are determined to begin. Music therapists are often looking for tools to bring music to their patients. Children delight in banging the keys of a percussion instrument but need some help to know what to do next. Yet, where does one who has not yet learned to read musical notation begin? Most people can match colors or letters, which makes color and

letter coded music song patterns a good place to start. In this book, the songs progress from easy children's tunes to more complicated pieces and duets. Duets are included so that groups can make music together! Benefits! It is well documented that learning to play a musical instrument stimulates multiple areas of the brain. It also enhances eye-hand coordination and balance. It can increase math ability and improve reading and comprehension skills as well as listening ability. Playing together in a group boosts leadership and team work skills and teaches discipline. Music fosters self-expression, creates

a sense of achievement, relieves stress, and promotes happiness. For Musicians of All Ages! Starting a new activity, no matter what your age, takes courage, resources and support. These song patterns are provided to make it a little easier to take that first musical step!
