The L-Shaped Room Dec 30 2020 'Lynne Reid Banks' compassionate first novel examines the stigma of unmarried motherhood in pre-pill, pre-Abortion Act Britain... While the social climate has changed drastically since publication, a transgressive frisson still crackles from the pages' The Guardian Pregnant by accident, kicked out of home by her father, 27-year-old Jane Graham goes to ground in the sort of place she feels she deserves - a bug-ridden boarding-house attic in Fulham. She thinks she wants to hide from the world, but finds out that even at the bottom of the heap, friends and love can still be found, and self-respect is still worth fighting for.

Confessions from a Studio Apartment Apr 14 2022 When the world is caving in on you, where do you turn? When all that you've known is crashing down, where do you hide? Sometimes, a studio apartment can be your solace; sometimes, it can guide you to beauty, to safety, to life, to a new beginning. And sometimes...it can guide you to a sunrise where you find something so far beyond what you imagined, you are left breathless. About the Author: Brianna Robertson If someone were to ask me what I am, it could be summed up in one, simple word: Dreamer. Ever since I was a small child my imagination has run wild. I have been telling stories for as long as I can

remember, creating grand worlds in my head and going on adventures that were invisible to others around me. Am I eccentric? Yes. Am I proud of that? Absolutely. I write about the things that inspire me, both in this world and in realms only seen with the imagination. My heroines are sassy and strong. My heroes are sometimes shy. I have an obsession with music (and musicians) and a fascination with wings. I believe true love does exist, and sometimes it is found in the strangest, most unexpected places. I also believe that family and close friends are the glue that hold people together. Above all things, I believe in being true to yourself and seizing the day. Life is an amazing gift. Make your experience as beautiful as you possibly can.

Housing for Older People in Singapore: An Annotated Bibliography Dec 18 2019 This bibliography offers valuable annotated references on housing for older population for those interested in these initiatives and discussions. It begins with an overview piece on the state of policy, practice and research on housing for the older population in Singapore. This is followed by an annotated bibliography featuring published and unpublished work, spanning recent decades, pertaining to housing for the older population with emphasis on Singapore. It encompasses theoretical and empirical research reported in journal articles and book chapters as well as grey literature, like dissertations and theses, conference proceedings, working papers and newspaper articles. The bibliography also contains additional citations covering global studies, in particular, in Asia, North America and UK. It is hoped that this bibliographic material will serve as a useful starting reference point for discussions on housing of older people in Singapore and also for key developments in other parts of the world. The goal is to encourage additional scholarship.

The Little Book of Living Small Jun 23 2020 A comprehensive guide to small-space secrets and real-life solutions for

living in 1,200 square feet or less. The Little Book of Living Small shows readers how to make the most of limited square footage—with grace and style—and serves as the cheerleader readers need to help themselves feel satisfied and proud of their choice to live with less. In addition to exploring both the motivation behind choosing to live in a small space, as well as the practical, everyday advice for managing a tight footprint, The Little Book of Living Small also includes case studies: 12 style-savvy, small-space dwellers open their doors and share their design secrets. Author Laura Fenton covers a range of homes including studio apartments, one- and two-bedroom houses, a tiny house, a co-living space, and even whole houses. Stylistically these homes range from urban, rural, minimalist, and country, with the unifying thread that they are all real homes of less than 1,200 square feet that offer clever solutions that readers can use in their own homes. Laura Fenton is the lifestyle director at Parents magazine. With more than fifteen years of experience, her work has appeared in major publications including Better Homes & Gardens, Country Living, Good Housekeeping, and on leading home websites including Remodelista.com, HGTV.com, ElleDecor.com, HouseBeautiful.com, Refinery29, and elsewhere. Through her writing she has explored the topic of living small for more than a decade. She lives small with her husband, a photographer, and their son in Jackson Heights, Queens, in New York.

200 Small Apartment Ideas Sep 26 2020 A superb collection of pictures and plans prove that small really is beautiful. Economy dictates that many of us have to live in small apartments, even one-room studios. But the lack of space, too much stuff, and our busy lives can make it stressful. This lushly illustrated resource shows that it doesn't have to be that way. Whether it's one person or a family with pets, a small apartment can be designed and decorated to create a comfortable environment for everyone and everything. 200 Small Apartment Ideas will inform and inspire homeowners and designers. It shows how to assess the positive and negative features of an apartment and suggests practical and manageable solutions to correct problems and eliminate irritants. It reviews each room, from

entrances and corridors to bathrooms and balconies, and gives practical advice on how to fix the most common issues, such as traffic patterns, light, privacy and storage. Color photographs show the beautiful results of careful planning and the use of multipurpose furniture and fixtures, while line drawings emphasize important points. Captions describe the variety of design features that hide the messiness of life and help to keep it hidden. These can include moveable storage walls, convertible beds, loft storage and smaller appliances. *200 Small Apartment Ideas* is a practical guide that will help anyone struggling with limited space. Economic and environmental circumstances dictate that we consume less. This book proves that we can enjoy the process in comfort and with style.

The Progressives and the Slums Jan 31 2021 *The Progressives and the Slums* chronicles the reform of tenement housing, where some of the worst living conditions in the world existed. Roy Lubove focuses his study on New York City, detailing the methods, accomplishments, and limitations of housing reform at the turn of the twentieth century. The book is based in part on personal interviews with, and the unpublished writings of Lawrence Veiller, the dominant figure in housing reform between 1898 and 1920. Lubove views Veiller's role, surveys developments prior to 1890, and views housing reform within the broader context of progressive-era protest and reform.

The First Apartment Book Jul 17 2022 Star designer Kyle Schuneman offers bold ideas for achieving big style in small spaces—on any budget. A first apartment allows you to finally do what you want with your own space, but it can be tricky to decorate. Luckily, twenty-seven-year-old decorating prodigy Kyle Schuneman knows that a paper-thin wallet and four plain walls don't have to stand in your way, and the ten amazing, real apartments in this book show it. From coast to coast, these fabulous first homes are the perfect balance between cool design and comfort, and they offer plenty of practical ideas for making your apartment feel open, organized, and inviting. Examples include: ? Multifunctional studios ? A loft that was sectioned into livable areas ? Cookie-cutter apartments with one-of-a-kind personality ? Shared spaces that accommodate different decorating tastes ? Fantastic examples of how to display collections, hide unsightly stuff, and manage picky landlords Kyle's creative solutions reveal how you can make your space feel much larger than it really is—and how it can reflect your passions, your travels, and your location. He will inspire you to use your surroundings for decorating ideas (think taxi-cab-yellow accents in New York or graffiti-like dip-dye curtains in Seattle). Short on time and long on style, the thirty DIY projects here include no-sew pillows and a dresser update using a little glue and decorative paper. Full of bold, vibrant photos, an

extensive resource section, and hundreds of big ideas for small spaces, this book proves that there are no limits on how spacious and how cool your first apartment can feel.
