This Spell Can't Last Sep 03 2021 Hannah and Veronica battle a Blood Witch in the thrilling, heartbreaking prequel to These Witches Don't Burn. Turns out, New York City is kind of a nightmare for a witch. Hannah's not exactly loving her trip to the city, considering the huge crowds and layers of

concrete blocking her connection to the elements. But a weekend away with her best friend, Gemma, and her girlfriend, Veronica, still has its advantages. After all, it's hard to complain when you're making out with the Statue of Liberty in the background. With Veronica's graduation on the horizon, Hannah is determined to enjoy every second of their time together, even if that means hanging out with Veronica's new friends, a group of Caster Witches determined to stir up trouble with a local Blood Witch. Thrust into the middle of a terrifying magical feud, Hannah begins to question if she can really trust Veronica, especially with her heart. And with a vengeful Blood Witch on their trail, she'll have to use every ounce of her powers to make sure she gets back to Salem alive.

Mind Fixers: Psychiatry's Troubled Search for the Biology of Mental Illness Apr 10 2022 *Mind Fixers* tells the history of psychiatry's quest to understand the biological basis of mental illness and asks where we need to go from here. In *Mind Fixers*, Anne Harrington, author of *The Cure Within*, explores psychiatry's repeatedly frustrated struggle to understand mental disorder in biomedical terms. She shows how the stalling of early twentieth century efforts in this direction allowed Freudians and social scientists to insist, with some justification, that they had better ways of analyzing and fixing minds. But when the Freudians overreached, they drove psychiatry into a state of crisis that a new "biological revolution" was meant to alleviate. Harrington shows how little that biological revolution had to do with breakthroughs in science, and why the field has fallen into a

state of crisis in our own time. *Mind Fixers* makes clear that psychiatry's waxing and waning biological enthusiasms have been shaped not just by developments in the clinic and lab, but also by a surprising range of social factors, including immigration, warfare, grassroots activism, and assumptions about race and gender. Government programs designed to empty the state mental hospitals, acrid rivalries between different factions in the field, industry profit mongering, consumerism, and an uncritical media have all contributed to the story as well. In focusing particularly on the search for the biological roots of schizophrenia, depression, and bipolar disorder, Harrington underscores the high human stakes for the millions of people who have sought medical answers for their mental suffering. This is not just a story about doctors and scientists, but about countless ordinary people and their loved ones. A clear-eyed, evenhanded, and yet passionate tour de force, *Mind Fixers* recounts the past and present struggle to make mental illness a biological problem in order to lay the groundwork for creating a better future, both for those who suffer and for those whose job it is to care for them.

The London Eye Mystery Jul 21 2020 When Ted and Kat watched their cousin Salim get on board the London Eye, he turned and waved before getting on. After half an hour it landed and everyone trooped off - but no Salim. Where could he have gone? How on earth could he have disappeared into thin air? Since the police are having no luck finding him, Ted and Kat become sleuthing partners. Despite their prickly relationship, they overcome their differences to

follow a trail of clues across London in a desperate bid to find their cousin. And ultimately it comes down to Ted, whose brain works in its own very unique way, to find the key to the mystery. This is an unputdownable spine-tingling thriller!

Parenting Matters May 31 2021 Decades of research have demonstrated that the parent-child dyad and the environment of the familyâ€"which includes all primary caregiversâ€"are at the foundation of children's well-being and healthy development. From birth, children are learning and rely on parents and the other caregivers in their lives to protect and care for them. The impact of parents may never be greater than during the earliest years of life, when a child's brain is rapidly developing and when nearly all of her or his experiences are created and shaped by parents and the family environment. Parents help children build and refine their knowledge and skills, charting a trajectory for their health and well-being during childhood and beyond. The experience of parenting also impacts parents themselves. For instance, parenting can enrich and give focus to parents' lives; generate stress or calm; and create any number of emotions, including feelings of happiness, sadness, fulfillment, and anger. Parenting of young children today takes place in the context of significant ongoing developments. These include: a rapidly growing body of science on early childhood, increases in funding for programs and services for families, changing demographics of the U.S.

population, and greater diversity of family structure. Additionally, parenting is increasingly being shaped by technology and increased access to information about parenting. Parenting Matters identifies parenting knowledge, attitudes, and practices associated with positive developmental outcomes in children ages 0-8; universal/preventive and targeted strategies used in a variety of settings that have been effective with parents of young children and that support the identified knowledge, attitudes, and practices; and barriers to and facilitators for parents' use of practices that lead to healthy child outcomes as well as their participation in effective programs and services. This report makes recommendations directed at an array of stakeholders, for promoting the wide-scale adoption of effective programs and services for parents and on areas that warrant further research to inform policy and practice. It is meant to serve as a roadmap for the future of parenting policy, research, and practice in the United States.

The Gospel According to Matthew Oct 12 2019 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming

contemporary relevance.

It Takes Two to Mango Jan 07 2022 It's all fun in the sun until someone turns up dead After Plum Lockhart's job as a travel magazine editor is eliminated in corporate cuts, she decides she's sick of cold winters in NYC and fruitless swiping on dating apps—what she needs is a dramatic change of scenery. On a whim, she accepts a job as a villa broker and moves to a beautiful Caribbean island. However, paradise isn't as perfect as it seems: the slow pace of island life, the language barrier, and a cutthroat office rival make Plum question leaving her old life behind. But when a client is found dead in the jacuzzi of Casa Mango—a property Plum manages—she knows she's really in a jam. With a killer loose on the island Plum will have to deal with a stonewalling police chief, a string of baffling clues, and a handsome Director of Security to solve this deadly case!

Aphids as Crop Pests, 2nd Edition May 11 2022 Aphids are among the major global pest groups, causing serious economic damage to many food and commodity crops in most parts of the world. This revision and update of the well-received first edition published ten years ago reflects the expansion of research in genomics, endosymbionts and semiochemicals, as well as the shift from control of aphids with insecticides to a more integrated approach imposed by increasing resistance in the aphids and government restrictions on pesticides. The book remains a comprehensive and up-to-date reference work on the biology of aphids, the various methods of controlling them and the progress of integrated pest management as illustrated by ten

case histories.

Cog May 19 2020 Five robots. One unforgettable journey. Their programming will never be the same. *Wall-E* meets *The Wild Robot* in this middle grade instant classic about five robots on a mission to rescue their inventor from the corporation that controls them all. Cog looks like a normal twelve-year-old boy. But his name is short for "cognitive development," and he was built to learn. But after an accident leaves him damaged, Cog wakes up in an unknown lab—and Gina, the scientist who created and cared for him, is nowhere to be found. Surrounded by scientists who want to study him and remove his brain, Cog recruits four robot accomplices for a mission to find her. Cog, ADA, Proto, Trashbot, and Car's journey will likely involve much cognitive development in the form of mistakes, but Cog is willing to risk everything to find his way back to Gina. In this charming stand-alone adventure, Greg van Eekhout breathes life and wisdom into an unforgettable character and crafts a story sure to earn its place among beloved classics like Katherine Applegate's *The One and Only Ivan*.

The Hit Aug 22 2020 A new drug is out. Everyone is talking about it. *The Hit*. Take it, and you have one amazing week to live. It's the ultimate high. At the ultimate price. Adam is tempted. Life is rubbish; his girlfriend's over him, his brother's gone. So what's he got to lose? Everything as it turns out. It's up to his girlfriend, Lizzie to show him.

Come Back for Me Aug 02 2021 Loss, trauma, memory, and, above all, the ties of family and being Jewish are the elements that weave together this panoramic story. *Come Back for Me* travels through time and

place only to bring us, ultimately, to the connections between generations. Artur Mandelkorn is a young Hungarian Holocaust survivor whose desperate quest to find his sister takes him to post-war Israel. Intersecting Artur's tale is that of Suzy Kohn, a Toronto teenager whose seemingly tranquil life is shattered when her uncle's sudden death tears her family apart. Their stories eventually come together in Israel following the Six-Day War, where love and understanding become the threads that bind the two narratives together. Like Sarah's Key, Come Back for Me deals evocatively with the scars left by tragedy and the possibilities for healing.

Book Boyfriend Feb 14 2020 "This is a delight."
—Publishers Weekly on *The Hate Project* A secret crush leads to a not-so-secret romance in this delightful romantic comedy from Kris Ripper There are three things you need to know about Preston "PK" Harrington the third: He's a writer, toiling in obscurity as an editorial assistant at a New York City publishing house. He is not a cliché. No, really. He's been secretly in love with his best friend, Art, since they once drunkenly kissed in college. When Art moves in with PK following a bad breakup, PK hopes this will be the moment when Art finally sees him as more than a friend. But Art seems to laugh off the very idea of them in a relationship, so PK returns to his writing roots—in fiction, he can say all the things he can't say out loud. In his book, PK can be the perfect boyfriend. Before long, it seems like the whole world has a crush on the fictionalized version of him, including Art, who has no idea that the hot new book everyone's talking about is PK's story. But when his

brilliant plan to win Art over backfires, PK might lose not just his fantasy book boyfriend, but his best friend. Carina Adores is home to romantic love stories where LGBTQ+ characters find their happily-ever-afters. Special Needs 2 Jul 13 2022 – Caretaking. Like a boss. – So, Ryan isn't disabled. Okay, he is, but he's only got a foot missing, that's hardly a reason to pretend he's paraplegic and ride around in a wheelchair! Now Liam has to deal with being lied to since the moment they met, and he is not a happy camper. He doesn't understand why sweet, innocent Ryan would do such a thing. What if there are other things his boyfriend lied about? Or ex-boyfriend for that matter. Ryan is in a state of complete panic at the sole thought of losing Liam, his first proper boyfriend ever. But the show must go on and after the fire in his hotel, Ryan can't only focus on his love life. He's a serious businessman after all. Marketing, networking and promoting will be his new love life. Who needs a boyfriend anyway, when in the end, every guy is either a devotee, or freaks out about his transability? Yet... maybe if Liam stayed around the hotel, they could at least make up and become friends. There is one more option to consider – walking. If Ryan started walking, would Liam want to be with him again? But how far can he bend to Liam's wishes before he breaks? “Special Needs” is book two out of a two part series. * Genre: contemporary erotic m/m romance, dramedy Erotic content: explicit m/m sexual scenes (including role play) Length: ~135,000 words Themes (possible

Minesweeper (Special Forces, Book 2) Nov 12 2019
"All the sizzle, chaos, noise and scariness of war is clay in the hands of ace storyteller Lynch." -- Kirkus Reviews for the World War II series Discover the secret missions behind America's greatest conflicts. Fergus Frew thought he knew what to expect when he signed up with the Navy's demolitions team. But as the Korean War rages on, Fergus and his fellow divers -- AKA "frogmen" -- are tasked with more than just scouting mudflats. Soon they're planting mines. And sabotaging tunnels, bridges... and even fishing nets. Strangest of all, it falls to Fergus to transport a spy into the country -- and that means traveling far from Navy-controlled waters. But frogmen are amphibious. And Fergus may not realize it, but he's in a position to change the way the whole world thinks about combat. National Book Award finalist Chris Lynch continues his explosive fiction series based on the real-life, top-secret history of US black ops and today's heroic Navy SEALs.

Unconventional Warfare (Special Forces, Book 1) Oct 24 2020 Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG),

an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.

Now Roy returns from Afghanistan a changed and extraordinary man who will stop at nothing to obtain a piece of the Herricks' legacy.

Lulu and Milagro's Search for Clarity Mar 29 2021 Booksmart meets Never Have I Ever in this Latinx road trip adventure—a big-hearted, voice-driven YA about two sisters who couldn't be more different, but become begrudging partners on their school's cross-country college trip—from debut author Angela Velez. Perfect for fans of Lilliam Rivera, Jenny Han, and Sandhya Menon. Overachiever Luz “Lulu” Zavala has straight As, perfect attendance, and a solid ten-year plan. First up: nail her interview for a dream internship at Stanford, the last stop on her school's cross-country college road trip. The only flaw in her plan is Clara, her oldest sister, who went off to college and sparked a massive fight with their overprotective Peruvian mom, who is now convinced that out-of-state-college will destroy their family. If Lulu can't fix whatever went wrong between them, the whole trip—and her future—will be a waste. Middle sister Milagro wants nothing to do with college or a nerdy class field trip. Then a

spot opens up on the trip just as her own spring break plans (Operation Don't Die a Virgin) are thwarted, and she hops on the bus with her glittery lipsticks, more concerned about getting back at her ex than she is about schools or any family drama. But the trip opens her eyes about possibilities she'd never imagined for herself. Maybe she is more than the boy-crazy girl everyone seems to think she is. On a journey from Baltimore all the way to San Francisco, Lulu and Milagro will become begrudging partners as they unpack weighty family expectations, uncover Clara's secrets, and maybe even discover the true meaning of sisterhood.

She never expected to lose her heart to her dark, enigmatic boss, Beckham Anderson. After being taken by a depraved captor who plans to rule the world, Reyna will do anything to return to Beckham. She just has to find the will to survive this game. From the pawn, rises a queen. Note: Reyna and Beckham's story begins in *Blood Type* and continues in *Blood Cure*. This ebook includes an excerpt from another Loveswept title.

Blood Secret Jun 19 2020 The minute she had opened the trunk, she knew there wasn't anything like hope in it. Just awful musty things, but each one with a kind of terrible dark halo around it. She picked up

that piece of old lace. She saw that stain -- pale, brownish in color. She knew it was blood. Somebody's blood. There was violence in that trunk, and dark secrets, and she did not want to know them. Curious about the old homestead where she now lives, Jerry finds an ancient trunk in the basement that contains, among other things, an old piece of bloodstained lace, some letters, and a battered doll. The objects in the trunk have stories to tell -- stories about the Spanish Inquisition spanning nearly five hundred years and stories of secrets locked deep in the bloodlines of Jerry's ancestors. Kathryn Lasky's powerhouse novel is a dramatic historical saga that brings the reader face-to-face with some of the worst atrocities ever committed against humankind in the name of God. But above all, it is an unforgettable coming-of-age story about a girl who, in connecting with her own past and faith, is at last able to face her own demons and liberate not only herself but also future generations of her family from the long chain of suffering and silence.

Catching a Storyfish Feb 25 2021 A Kirkus Reviews Best Book of the Year This lyrical middle-grade novel-in-verse celebrates the power of story and of finding one's individual voice. Keet knows the only good thing about moving away from her Alabama home is that she'll live near her beloved grandfather. When Keet starts school, it's even worse than she expected, as the kids tease her about her southern accent. Now Keet, who can "talk the whiskers off a catfish," doesn't want to open her mouth. While fishing with her grandfather, she learns the art of listening and gradually, she makes her first new friend. But just as she's beginning to settle in,

her grandfather has a stroke, and even though he's still nearby, he suddenly feels ever-so-far-away. Keet is determined to reel him back to her by telling him stories; in the process she finds her voice and her grandfather again.

The Book of Hidden Things Jul 01 2021 From "one of the most significant figures of the last generation of fantasy", comes Francesco Dimitri's debut novel in English, an enthralling and seductive fantasy following four old friends and the secrets they keep. Four old school friends have a pact: to meet up every year in the small town in Puglia they grew up in. Art, the charismatic leader of the group and creator of the pact, insists that the agreement must remain unshakable and enduring. But this year, he never shows up. A visit to his house increases the friends' worry; Art is farming marijuana. In Southern Italy doing that kind of thing can be very

dangerous. They can't go to the Carabinieri so must make enquiries of their own. This is how they come across the rumours about Art; bizarre and unbelievable rumours that he miraculously cured the local mafia boss's daughter of terminal leukaemia. And among the chaos of his house, they find a document written by Art, *The Book of Hidden Things*, which promises to reveal dark secrets and wonders beyond anything previously known. Francesco Dimitri's first novel written in English, following his career as one of the most significant fantasy writers in Italy, will entrance fans of Elena Ferrante, Neil Gaiman and Donna Tartt. Set in the beguiling and seductive landscape of Southern Italy, this story is about friendship and landscape, love and betrayal; above all it is about the nature of mystery itself.

Play it Safe Aug 14 2022 No connections. Play it safe. These were the rules Ivey lived her life by. Until she hit Mustang, Colorado, a perfectly imperfect town where the citizens were welcoming and one of them included the tall, beautiful, macho man rancher cowboy, Grayson Cody. On the run for a decade, Ivey knew she was supposed to play it safe. But she was tired of being on the run. She wanted a normal. She wanted real. She wanted a home. And she wanted Grayson Cody. And Grayson Cody wanted Ivey. No one who looked at them couldn't see they belonged together. There was one man in this world for Ivey and one woman in this world for Grayson Cody. So they fell in love. But just as quickly as they fell together, they were betrayed and torn apart. Separated for years, Ivey was certain her life would not include her rancher cowboy. Until the town of

Mustang reached out to her when Gray was in trouble. Even though she thought he broke her heart, she charged in to help. Then Gray and Ivey discovered they were betrayed and, not only that, Gray had an enemy who would stop at nothing to defeat him.

Revenge of the Red Club Oct 16 2022 A tween reporter discovers an important and beloved club at school is being shut down—and uses the power of the pen to try and activate some much-needed social change in this period-positive and empowering middle grade novel about the importance of standing up for what you believe in. Riley Dunne loves being a member of the Red Club. It's more than a group of girls supporting each other through Aunt Flo's ups and downs; it's a Hawking Middle School tradition. The club's secret locker has an emergency stash of supplies, and the girls are always willing to lend an ear, a shoulder, or an old pair of sweatpants. But when the school administration shuts the Red Club down because of complaints, the girls are stunned. Who would do that to them? The girls' shock quickly turns into anger, and then they decide to get even. But wallpapering the gym with maxi pads and making tampon crafts in art class won't bring their club back. Only Riley can do that. Using the skills she has cultivated as her school paper's top investigative reporter (okay, only investigative reporter), she digs for the truth about who shut the club down and why. All the while dealing with friendship drama, a new and ridiculous dress code, and a support group that is now more focused on fighting with each other than fighting back. Can she save the Red Club before this rebellion turns into a full-scale war?

The Dead and Buried Dec 18 2022 A haunted house, a buried mystery, and a very angry ghost make this one unforgettable thriller. Jade loves the house she's just moved into with her family. She doesn't even mind being the new girl at the high school: It's a fresh start, and there's that one guy with the dreamy blue eyes. . . . But then things begin happening. Strange, otherworldly things. Jade's little brother claims to see a glimmering girl in his room. Jade's jewelry gets moved around, as if by an invisible hand. Kids at school whisper behind her back like they know something she doesn't. Soon, Jade must face an impossible fact: that her perfect house . . . is haunted. Haunted by a ghost who's seeking not just vengeance, but the truth. The ghost of a girl who ruled Jade's school -- until her untimely death last year. It's up to Jade to put the pieces together before her own life is at stake. As Jade investigates the mystery, she discovers that her new friends in town have more than a few deep, dark secrets. But is one of them a murderer?

Chasing Smoke Apr 17 2020 Daniel Gardner's family took in Trey after his father was jailed for his mother's murder. Fifteen years later Trey is still looking for the murderer. With new clues to the murder, Daniel and Trey's sexual chemistry is resurfacing.

Love, Theodosia Jan 27 2021 A Romeo & Juliet tale for Hamilton! fans. In post-American Revolution New York City, Theodosia Burr, a scholar with the skills of a socialite, is all about charming the right people on behalf of her father--Senator Aaron Burr, who is determined to win the office of president in the pivotal election of 1800. Meanwhile, Philip

Hamilton, the rakish son of Alexander Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It's also a heartbreaking romance of two star-crossed lovers, an achingly bittersweet "what if." Despite their fathers' bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of Hamilton and Burr once again as these heirs of famous enemies are driven together despite every reason not to be.
