It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life. (Booklist) Georgia Waltz has things many people only dream of: a plush Manhattan apartment overlooking Central Park, a Hamptons beach house, valuable jewels and art, two bright daughters, and a husband she adores, even after decades of marriage. It's only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia's sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. I do not want to have a nude sleepover. I do not want to make you breakfast, lunch or dinner, no matter how many lap dances you promise to give me. I do not need you to serenade me through the walls at 1am. And no, I have no interest in letting you take me on a date. Sincerely, Magnolia Allen P.S. And no, I do not want to know how many accents you can growl in during intimate moments. How is that even a thing? P. P. S. Also, you will never find me standing naked in your living room ever again, so please stop leaving lingerie packages on my welcome mat. Since 1958 the Maritime Administration has continuously conducted instructions in use of collision avoidance radar for qualified U.S. seafaring personnel and representatives of interested Federal and State Agencies. Beginning in 1963, to facilitate the expansion of training capabilities and at the same time to provide the most modern techniques in training methods, radar simulators were installed in Maritime Administration's three region schools. It soon became apparent that to properly instruct the trainees, even with the advanced equipment, a standardize up-to-date instruction manual was needed. The first manual was later revised to serve both as a classroom textbook and as an onboard reference handbook. This newly updated manual, the fourth revision, in keeping with Maritime Administration policy, has been restructured to include improved and more effective methods of plotting techniques for use in Ocean, Great Lakes, Coastwise and Inland Waters navigation. How to Lose a Guy in Ten Days meets Accidentally on Purpose by Jill Shalvis in this head-over-heels romantic comedy. Spanning more than two centuries in Ireland, Castle on the Rise unites the legacy of three women who must risk mending their broken places for life, love, and the belief that even through the depths of our pain, a masterpiece of a story can emerge. When Laine Forrester travels overseas to attend her best friend’s vineyard wedding, she expects to find the bride on the brink of a fairy-tale life. But after a series of unforeseen setbacks, it seems the storybook lives they’d imagined are suddenly ripping apart. With hopes of resurrecting a happy ending, Laine agrees to accompany the newlyweds to the groom’s home in Ireland—never expecting she’d be the one drawn in by its wide-open moors, backroads bordering the Irish Sea, and a mysterious castle that dares to keep its secrets hidden. From the storied streets of Dublin to the shores of the Emerald Isle, Laine is drawn in to the land and its rich history. The castle ruins whisper stories of Issy—a photojournalist battling through the 1916 Easter Rising, and Maeve—the castle’s lady of legend, fighting for survival through the 1798 rebellion that started it all. Pass. (But It Would Be Helpful to Know When).” After a series of events left her a divorced single mother questioning herself, her relationships, and basically, everything she thought was true about her “picture-perfect” life, Alessandra Olanow began drawing and posting illustrations on Instagram that reflected her feelings and struggles to right her life. She chronicled her journey of healing, expressing the shock, delusion, denial, self-pity, and self-doubt she experienced and the self-empathy and forgiveness that ultimately helped her regain a sense of self—but stronger, more fearless, and more hopeful than before. Her charming illustrations and keen, memorable observations—struck a chord. Within a year, her audience grew dramatically, from 9,500 to 157,000 followers, including celebrities Katie Couric, Jennifer Garner, Elise Loehnen (chief content officer at Goop), the poet Joao Doederlein, and Joanna Goddard (founder of A Cup of Jo). I Used to Have a Plan brings Olanow’s soothing sensibility to a wider audience, featuring new drawings and ideas that touch upon the universal experiences of unexpected change and loss. Divided into five parts—“I Didn’t See That Coming,” “It’s OK That You’re Not OK,” “Where’d I Go,” “The Only Way Out Is Through,” and “I Like It Here, Can I Stay a While?”—the book beautifully encapsulates the experience of encountering difficulty, processing it and healing from it, and becoming stronger and with a better sense of self. Full of advice, commiseration, empathy, and wit that is comforting, helpful, direct, and remarkable in its truth, I Used to Have a Plan helps everyone through the painful yet ultimately uplifting process of healing. I Used to Have a Plan includes 75-100 illustrations. “I cannot recommend this book enough. But now Robert the Bruce has ordered her to marry a stranger, securing a strong alliance and ending a decades-old feud. Already used as a pawn once in marriage, she is devastated that she will once more have to give up her happiness in order to please the edicts of men. And while the braw warrior standing before her might incite feelings inside her she thought long since buried, desire is a far cry from love. They were pitted against each other in childhood, and their father left them with a legacy that was a race to the finish-whoever has an heir first inherits the lands. The only problem is that Brochan has given his loyalty to the Scots, and his brother to the English. In order to keep the lands and ships under Scottish control, Robert the Bruce demands Brochan marry to break the iron-clad will. His new bride harbors a fiery temperament that lures Brochan into stoking her passions instead of her ire. Aligned to strengthen the Scottish claims on the realm, Brochan and Ceana must work together to overcome the obstacles that bind them.
