i have a new holland tm120 the pto does not work along with May 10 2022 web expert  
dan replied 3 years ago first test all your fuses and relays for your fuses test one  
at a time for power on both sides with the ignition on and replace any with power  
only on one side for your relays swap one at a time with a known good one thoroughly  
inspect your wiring harness and connector pins for any corrosion or damage
