Protecting the innocent comes at a cost, and what seems to be a sleepy, quiet town is anything but. “A compelling story that touches on powerful social issues” Bookbub Reviewer NY Times & USA Today bestselling author Lorhainne Eckhart brings you the first book in a new crossover series! The social worker and the cop, an unlikely couple drawn together on a small, secluded Pacific Northwest island where nothing is as it seems. Billy-Jo McCabe never expected to become a social worker, considering the broken system nearly destroyed her. Shortly after she takes a job on a remote Pacific Northwest island, she gets a call about a missing girl. Meanwhile Roche Harbor detective Mark Friessen is called in to investigate the disappearance, but instead of working with the newly appointed social worker, he ends up butting heads and clashing with her every step of the way. Billy-Jo becomes the rival he does his best to avoid, considering the only conversations they have involve her pointing out his shortcomings and arrogance. But when Billy-Jo finds herself in over her head, she’s forced to team up with the man who has the uncanny ability to bring out the worst in her and together, they come up against close-mouthed locals, island secrets that hit too close to home, and the realization that their case about finding and helping a young girl has turned into something far more sinister. Callum Welsh perfected the art of hating me when we were two kids who believed we’d be forced into marriage. He thought I wanted it, but my only wish had been for him to leave me alone. Then one afternoon, he stole my first kiss. Despite all he'd done, everything changed after that. As the years passed, our hearts thawed, and he no longer hated me. In fact, he loved me enough to make me his wife. Until I ruined everything with one stupid mistake. That hatred returned in the form of cruel words and even crueler deeds. But we weren't kids anymore. I could handle his brand of venom. He would be mine again, even if it cost me the remains of my heart. Warning: contains cheating and an anti-hero who might make you throw your kindle. A hot vet. A rebellious teenager. And meddling but well-meaning townsfolk. Vera gets more than she bargains for when she runs off to a new life in the country ... A fresh and funny rural romance, perfect for readers of Alissa Callen and Rachael Johns. Vera De Rossi no longer believes in love ... And thanks to her ex-boyfriend she's also broke, jobless, and staring down the barrel of a court case that could land her in prison. Turning to her talent for baking, Vera opens a cafe in Hanrahan, a cosy tourist town in the foothills of the Snowy Mountains. Josh Cody, once Hanrahan's golden boy, escaped sixteen years ago with gossip hard on his heels and a pregnant girlfriend in tow. Now he's back: a qualified veterinarian - and a single dad with a lot to prove. A new start and a grumpy teenage daughter ... it's a lot to juggle, and there's no room in his life for further complications. But that's before he walks into The Billy Button Cafe and meets its prickly owner ... Reeling from the past, Vera has no intention of being sidetracked by the hot vet with a killer smile. But fate has a way of tripping up our best intentions and between a stray cat and a busybody with a heart of gold, this is a town - a family - unlike any other. And, whether Vera wants it or not, is there anything a family won't do to help one of its own? PRAISE: 'The perfect feel-good blend of warmth, wit and small-town charm. This debut will leave you smiling.' Alissa Callen bestselling author of Snowy Mountains Daughter This iPad interactive book is an indispensable tool for pilots seeking the Airbus A320 type rating. This study guide offers an in-depth systems knowledge with pictures, videos and schematics not found in other publications. It is packed with detailed and useful information to prepare any candidate for command and responsibility of the A320 equipped with IAE or CFM engines. The moment AJ Walsh sees the sexy, tattooed pixie

walk up to his bar, it's lust at first sight. He's always been labeled the "nice" guy—opening doors, buying flowers, and never, ever having one-night stands. But with this wicked little angel with red lips and unfathomably dark eyes? Oh, yeah. Tonight, "nice" has nothing to do with it... Brett Conlon is trying to convince her family that she's put away her reckless wild girl side for good. Nothing—and no one—could be better for her reputation than golden boy AJ Walsh. So they make a deal: if he plays The Good Boyfriend for her family, he can be a very, very bad boy with her. Now their one naughty night is about to turn into a whole lot of trouble... For over thirty years, Stan Amos has provided students and practitioners with a text they could rely on to keep them at the forefront of transistor circuit design. This seminal work has now been presented in a clear new format and completely updated to include the latest equipment such as laser diodes, Trapatt diodes, optocouplers and GaAs transistors, and the most recent line output stages and switch-mode power supplies. Although integrated circuits have widespread application, the role of discrete transistors is undiminished, both as important building blocks which students must understand and as practical solutions to design problems, especially where appreciable power output or high voltage is required. New circuit techniques covered for the first time in this edition include current-dumping amplifiers, bridge output stages, dielectric resonator oscillators, crowbar protection circuits, thyristor field timebases, low-noise blocks and SHF amplifiers in satellite receivers, video clamps, picture enhancement circuits, motor drive circuits in video recorders and camcorders, and UHF modulators. The plan of the book remains the same: semiconductor physics is introduced, followed by details of the design of transistors, amplifiers, receivers, oscillators and generators. Appendices provide information on transistor manufacture and parameters, and a new appendix on transistor letter symbols has been included. "Negotiation: Science and Practice" is a university-level textbook and lecture series designed to teach effective skills and techniques in negotiation. It provides scientifically tested tools that allow anyone to construct and implement the best possible negotiation strategies, in any negotiation scenario. From this pack, students, like yourself, learn the art, science and practice of influence, as well as how to construct optimal agreements, whether you are negotiating a settlement in a legal dispute, a contract to sell a business, a ceasefire in a conflict zone, the sale of your own home, a price rise of the goods or services your company provides, a wage dispute with a powerful union or even an amendment to legislation. The lectures in this textbook are as follows: Lecture 1: Negotiation dynamics (available in full, for free, in the "sample") Lecture 2: Preparation for negotiation Lecture 3: Evaluation techniques Lecture 4: Influence Lecture 5: Cognitive biases, heuristics, errors and effects Lecture 6: Group dynamics Lecture 7: Logic and creativity Lecture 8: Parachutes, problems and tricks Lecture 9: Culture, human nature and individual difference Lecture 10: Enforcement mechanisms Lecture 11: Ethics, lying, the law and why good people do bad things Lecture 12: Alternative dispute resolution Lecture 13: Conflict This book contains: - A comprehensive lecture series (outlined above) - Week-by-week multiple choice questions (100+ pages) - Detailed answers and explanations to all week-by-week questions (50+ pages) - A mid-semester exam - A comprehensive reference glossary (200 pages) - Full academic abstracts to complement critical references

(aiding a more detailed understanding and facilitating further exploration of the science behind each technique) - The most comprehensive examination of the psychology of negotiation available, with clear examples of how it can be used to achieve desired outcomes - The most comprehensive description of common “dirty tricks” in negotiation and how to respond to them - Detailed explanations of the law and how it affects you as a negotiator; including important case summaries - Step-by-step explanations of how to calculate the ‘need-to-know’ numbers in all negotiations

A man can only have one great love, and mine was the sea. Until I pulled a half-drowned heiress out of the water. Until I kept her as mine. Until I hurt her to prove I didn't love her. Now we're surrounded. Dangerous pirates want to use her for their own purposes. I won't give her up that easy. I have a lifetime of treasure to protect. But with the ship going down, there's only one thing I want to save. Her.

The Merry Misfits of Bath is a brand-new Regency romance series from USA Today bestselling author Callie Hutton. Each standalone story features a heroine who doesn't quite fit in but who finally finds her happy ever after with a hero who sees her through the eyes of love. Retired Navy SEAL, Clint Backwater, enjoys his solitary life as owner of the Ask Questions Later gun range. It's the kind of place you find because you know a guy. So when Leila Ortiz, a petite woman with a "baby on board" sticker on the back of her car—and an 18-month-old boy in her arms—shows up at the range, panicked and desperate for a gun, he knows something is wrong. Having grown up in the foster system, Clint has seen what happens when you let yourself get too invested—things get messy, people leave. He made himself a promise to never get emotionally involved again, but the former

SEAL in him feels the tug to help this woman and her child. Leila's ex-husband is being released from prison early on good behavior and she found out too late. He was supposed to serve five years, not two, and Leila is unprepared to protect herself and her son. She promised him they'd never run again—they've made a nice life for themselves and the last thing she wants to do is leave it all behind. When Clint refuses to give Leila a gun without lessons, she agrees to return to the range to learn. At first, Leila won't say why she's so desperate for protection, but when the threats from her ex escalate, it becomes clear what she's afraid of. Clint is a loner. Always has been, always will be. So when Leila and her little son enter his life, it hits him—hard— maybe being alone isn't what he needs. Still, having his solitary life disrupted when he invites the little family into his home is a bit tougher to take than he thought. With Leila and her son in danger, though, he'll do whatever it takes to keep them safe—even putting up with stray toys and changing a nappy or two. But the biggest danger might be to his heart, when it starts to look like the safest thing for Leila and her baby might be to leave her problems—and her budding relationship with Clint—behind. The greatest journey isn't from England to the States, it's the one that two men take on the way to find each other. Sebastian Brown is on a mission to rescue the Arizona Raptors and a vow he made to a friend in college. Either that or he's on vacation. He's not entirely sure that he's made up his mind yet. Either way, traveling from England, to the arid desert of Arizona isn't exactly a picnic, particularly with the doubts and worries he takes with him. He's turned even the worst of companies around, but faced with the challenge of improving the reputation of a hockey team that everyone seems to hate, he knows his work is cut out for him. Focus is key, but that is easier said than done when Seb is sent into a tailspin by the intriguing Alejandro. Seb's entire marketing plan hinges on making Alex a poster boy for equality and fair play. But with Alex's utter dedication to the game, and his dark secretive eyes, the gorgeous Alex is stubborn, opinionated, doesn't want any part of being the team focus, and worst of all, doesn't appear to like Seb at all. It takes everything that Seb has to keep his hands off of Alex, but things get out of hand and Seb's life might never be the same again. Alejandro Garcia has had to work hard to get where he's at. Born to Mexican immigrants, his siblings and himself have never had it easy in this new country their parents dreamed of calling home. A native son of Arizona, Alex has always been the odd man out on the ice but he's not going to let a stupid thing like his heritage get in the way of his dreams. He's now a Raptor and he plans to put all that training and collegiate hockey experience to good use. Working hard comes naturally to him. It's something his parents have instilled in him from the time he was a toddler. Being one of a handful of Latino hockey players makes him strive for success with even more determination. His first pro season has had some ups but a lot more downs, but Alex is one stubborn young man and failure is not an option. As the Raptors struggle to rebuild not only their team but their core values, Alex finds himself drawn to one of the owner's friends, a tall, lanky Brit with the face of an angel and an accent and attitude that bewitches and befuddles him. Sebastian is everything he thought he would never be attracted to but he can't push the sexy, older, fun-loving man out of his thoughts. If ever there were a man he would not be able to take home to his parents - not that he can bring a man home since he is deeply closeted - it's Sebastian, but desire knows no socioeconomic, age, or international borders. The heart wants what the heart wants and Alejandro's wants Sebastian. MfM ménage romance from USA Today bestselling author Julia Sykes Two darkly domineering alpha males. They say I don't have to choose. They both want me. Together. The three of us. I was meant to be theirs: Joseph, my sweet first love, and Marco, his sternly intimidating best friend. I know they're dangerous men, but being with them doesn't feel wrong. When they hold me in their arms, I feel safe, cherished. I'm still their captive, but I'm no longer certain if I want to be free of them. They swear they only kidnapped me for my own protection, and after a terrifying attack by one of their enemies, I'm starting to believe them. If I give myself to them, can my alluring criminal captors protect me? Or is their world too dangerous for even their strong arms to shield me from harm? Keywords: MfM ménage, Daddy romance, mafia romance, kidnapping, romantic suspense, new adult 1891 . . . Spinster librarian, Olive Wilkins, is shocked to learn of her brother's violent death at a saloon gaming table and her sister-in-law's subsequent murder, traveling far from her staid life to rescue her niece and nephew, now orphans. She arrives to find the circumstances of her brother's life deplorable and her long held beliefs of family and tradition, shaken. Accustomed to the sophistication of Philadelphia, Olive arrives in Spencer, Ohio, a rough and tumble world she is not familiar with, facing two traumatized children. Her niece and nephew, Mary and John, have been living with a neighboring farmer, widower Jacob Butler, the father of three young children of his own and a man still in pain from the recent loss of his wife. Real danger threatens Olive and Mary and John while Jacob and his own brood battle the day-to-day struggles for survival. Will Olive and Jacob find the strength to fight their battles alone or together? Will love conquer the bitterness of loss and broken dreams? Basic cosmetic science and electricity appropriate for Beauty Therapy students, in line with international governing body curricula Dark, brooding and incredibly handsome playboy Monroe Latimer can have his pick of women. But he doesn't do commitment. Ever! One look at Monroe and feisty English girl Jessie Connor knows he's about as Mr. Wrong as a guy can get. But there's one big problem he fires her blood as no other man ever has, and his killer blue gaze is focused right on her. His look says he'll bed her, but never wed her. Will he change his ways once he discovers Jessie is pregnant?

She must marry. But she'll do it her way. And she has a plan... Caroline Whitfield has it all figured out. Since all young ladies of the ton must marry, she plans to do just that. The only romances she's interested in are between the pages of her beloved books, so love is not a consideration. She needs a husband willing to let her live her own life, and who better than a man for whom a wife is an inconvenience packed off to the country? Which means only one type of man will do...She needs a rake, a man who will barely notice his own wife in favour of his own pursuits. It's the perfect plan. All she has to do is not fall in love... And most definitely not with the irritatingly handsome Baron Huntingford. He needs a wife. Preferably someone who is not Miss Whitfield... More at home on the battlefield than in a ballroom, Aaron, Baron Huntingford, is still getting used to his title and being a man of leisure rather than a soldier. A rake with a dangerous reputation he's used to any woman he wants falling at his feet, but Miss Whitfield is not like other debutantes. For one thing, she seems to actively dislike him. For another, she's his best friend's new sister-in-law, and therefore off limits. Never mind that he craves her touch and to find out if her lips taste as sweet as they look. But when he finds out about her scheme to bring a rake to the altar, all bets are off. If she wants a rake, she'll get one. Him. Being a child genius might have made Sam a doctor by twenty-two, but she's learned nothing about men. Her world is scalpels and scrubs, not silk and seduction. Sam is used to receiving attention for her brain, not her body, but when Mac and Hardin find out she needs tutoring between the sheets, they volunteer for the job. They're diligent in their task, ensuring she's an expert in pleasure... with them. Only them. Mac knows he is nothing the beautiful doctor deserves. He works with his hands. He's rough around the edges, tattooed and older, but he wants her anyway. So does his best friend, Hardin. They've spent years searching for a woman they can claim together. One taste of Sam and it's not just passion they feel for their woman. It's protectiveness. Possession. When they discover Sam might be targeted by a murderer on the loose, they won't let anything take her away. And their protective instinct reaches a new level when Hardin discovers he might just be related to the killer. His songs were better when he had a broken heart. That sentence would change my life after my dream job was dished to me on a shiny, silver platter. All I had to do? Hurt Nash Pierce enough to get him writing good music again. The pop icon's songs were no longer the phenomena they used to be. His team needed another breakthrough album--like the first he'd penned, using his heartbreak as fuel. The plan was simple: I'd go on tour with him as a backup dancer...and make him fall in love with me. I was hired to inspire--to become embedded into every lyric he wrote. Then, I was to set fire to it all--to destroy every feeling we hoped he'd develop for me. It seemed simple enough. Easy, even. I didn't expect to be consumed myself--to see so much in the man displayed in the tabloids. I didn't foresee falling for him. It didn't occur to me that, while attempting to break his heart, I might just shatter my own. Most of all, I never thought I'd fight so hard to hold on to a relationship that had always been founded on goodbye. ?DNS Exercise Journal - A brochure for kids This journal or DNS Fit Kid App is intended for coaches and therapists who use DNS FIT KID in their practice, particularly those working with young children and their parents. The application consists of twenty exercises based on five developmental positions and serves as a home exercise program for children aimed at both the treatment and prevention of musculoskeletal pain. More generally, these exercises can also be used as a fundamental, dynamic warm-up for not only common recreational play, but also youth athletic training. The DNS exercise app explains the developmental exercise positions to children in a fun, relatable manner, comparing them with the way animals characteristically move and pose. The concise text and colorful illustrations help to explain not only how the child ought to move, but also what they should feel during each movement or position. Of course, these also describe how to detect and correct errors and movement faults typically found with each exercise. Furthermore, in order to help train exercise transitions, movement memory, mimicry, and team exercise (while also incorporating speech development), the DNS app has included a variety of rhythmic songs that are meant to be sung along with every global movement routine. By incorporating both animal imagery and catchy songs into each routine, the DNS Fit Kid App motivates children to exercise regularly in a pleasurable, playful way, while also emphasizing DNS principles like optimal posture and ideal movement coordination. As the hunt for the Ghost heats up, Detective Silas Warren and Madison Corman do their best to leave no stone unturned, but when Captain Fletcher tells the media the crimes are being committed by a copycat, the duo thinks his lies might have scared their killer away. Is he in hiding or is he meticulously planning his next kill?
