"Iran's Revolutionary Guards are one of the most important forces in the Middle East today, but remain poorly understood to outside observers. In *Vanguard of the Imam*, Afshon Ostovar has written the first comprehensive history of the organization. Situating the rise of the Guards in the contexts of Shiite Islam, Iranian history, and international affairs, Ostovar takes a multifaceted approach in demystifying the organization and detailing its evolution since 1979. The book documents the Guards transformation into a power-player and explores why the group matters now more than ever to regional and global affairs. It is simultaneously a history of modern Iran, and an engrossing entryway into the complex world of war, politics, and identity in the Middle East"-- This book is one of the many Islamic publications distributed by Mustafa Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Mustafa Organization is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involvement and support. Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shi`a School of Thought in particular due to the latter being misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims. Organization's purpose is to facilitate the dissemination of knowledge through a global medium, the Internet, to locations where such resources are not commonly or easily accessible or are resented, resisted and fought! Today the news is filled with accounts of the rising tide of Islamic governments across the Middle East based on Sharia Law leading into an Islamic caliphate. Iran is now closer than ever to developing a nuclear weapon and Muslim terrorism against the United States is increasing as the events in Benghazi have shown. Against this backdrop, in the not too distant future, Iran has successfully developed several nuclear bombs and decided to use them against

Israel and the West. The attack goes better than planned as the nuclear attacks coincide with the biblical event known as the rapture, which devastates America, but leaves the Muslim world virtually untouched due to the small number of Christians within their borders. This disparity now leaves the Islamic countries in a perfect situation to continue their move to take over the world and to unite it under Islam. Iran receives unexpected help from the Mahdi, the long awaited Islamic messiah, whose coming was predicted 1,200 years ago. The 12th Imam is based on actual prophecies found in the Bible, Jewish and Islamic writings that parallel each other, making for an exciting read leaving one to wonder how much is fiction and how much is soon to be reality. In a story ripped from today's headlines, Iran has launched a nuclear attack on Israel and the Great Satan, the United States. The president of Iran has little idea that his grand plan would initiate a series of events that fulfills prophecies in both Islamic and Christian holy writings. The return of the Islamic Messiah, the one the Bible calls the Antichrist, is imminent. The missiles go astray and destroy the Dome of the Rock. While the Israeli attack fails, Iranian agents succeed in destroying the nation's capital as well as several American cities. At the same time, Christians are removed from the earth in a mass exodus. The 12th Imam, the long awaited Islamic Messiah, returns from the Jamkaran well, from a slumber of nearly 1,200 years. These events unite Jewish, Islamic and the remaining Christian adherents as each of their end-times writings converge on a single individual. The Twelfth Imam: Rise of the Antichrist is a fast-paced thriller that will keep the reader on a rollercoaster ride that never slows down. The book is not your normal work of Christian end-times non-fiction. Its doomsday premise is based not just on real-world events, but actual threat assessments from national security experts and think tanks regarding scenarios that can plunge America back to the dark ages. About 1.8 billion live under Islam, the second largest religion. Islam has been trying to take over the world

since Mohamed established it in the 6th century. Shia Islam, Iran being one of the largest Shiite countries, believes in a coming Islamic Messiah, the 12th Imam, who will come and rule the world for 7 years at the end of time. Antichrist? Many Shiites believe they can hurry his return by destroying Israel. Islamic details about the 12th Imam line up with Bible details about the Antichrist. Could the Religion of the Antichrist be with us already? James Parker has taken the well-established Bible doctrine of the rapture and presented it with a fresh look by tying it to Islamic end-time prophecies. Parker has shown there is a clear Islamic connection to Christian end-time prophecies regarding the antichrist. His first novel is a fast-paced political action thriller that will appeal to religious and secular lovers of mystery and mayhem. The action takes place mostly in New York City and the Islamic countries of the Middle East. Parker skillfully weaves together end times theology from the three great Abrahamic religions - Judaism, Christianity, and Islam - and explores a maze of ancient prophecies that, if unchecked, might lead to "the end of days." Who is the Mahdi of Islam? According to both Sunni and Shi'i Muslims, the "guided one" will rise during the end times to conquer all nations. With Jesus Christ, he will bring an end to aggression and injustice, and will establish the Kingdom of God on earth. However, Sunnis and Shi'is disagree about the identity of the Mahdi. A Compendium of Fifty Questions and Answers Related to Islamic Theology, Jurisprudence and Other Themes Answers to a series of questions often asked by young Muslims growing up in Western societies. The questions are on diverse topics ranging from Divine will, marriage, the role of women and the 12th Imam "Ladies and gentlemen of the world, I am here today to announce to you that as my final act as the President of Iran I have just ordered the launching of our nuclear missiles against the Nation of Israel." When the president of Iran announced to the world his country had just launched three nuclear missiles at Israel, little did he realize his grand plan would set in motion a series of events that fulfilled prophecies in both Islamic and Christian holy writings by heralding the return of the Islamic Messiah, the one the Bible calls the antichrist. In a story ripped from today's headlines, Iran has developed the bomb and has finally launched a deadly attack on Israel and the Great Satan, the United States. The attack brings unexpected results when the missiles somehow go astray and destroy the Dome of the Rock. While the Israeli attack fails, Iranian agents succeed in destroying several American cities, including the nation's capital,

with a nuclear blast. These actions cause a series of ancient prophecies to culminate, first with Christians being removed from the Earth in a mass exodus, while simultaneously, the twelfth Imam, the long-awaited Islamic Messiah, returns from the Jamkaran well where he has been slumbering for nearly 1,200 years. These events unite Jewish, Islamic, and the remaining Christian adherents, as each of their end-times writings and prophecies converge on a single individual who unites three major religions that have been fighting for centuries. Islam is now the dominant religion. The twelfth Imam quickly unites the various factions in the Muslim world by demonstrating that he is their messiah. He turns to Sam Reynolds, programing manager, who is working to perfect an RFID chip containing an individual's medical information. Tom Wellington is vice president of the World Bank and is tasked with setting up the financial aspects of the new Islamic system. Little does the Imam know the two are familiar with biblical prophecies because of Pastor Glenn Nelson, and they see him for who he truly is and realize his ultimate goal. *The Twelfth Imam* is the first novel of a new political thriller series by Joel C. Rosenberg, the New York Times bestselling author of the award-winning *Last Jihad* series. Rosenberg takes you inside a world few will ever enter. Hold on to your seat—the twists and turns never stop coming. Tensions are rising in the Middle East. Iran's president vows to annihilate the United States and Israel. Israel's prime minister says someone must hit Iran's nuclear sites "before it's too late." The American president warns against a preemptive strike on Iran's nuclear facilities and says negotiations are the key to finding peace. And amid it all, rumors are swirling throughout the region of a mysterious religious cleric claiming to be the Islamic messiah known as the Mahdi or the Twelfth Imam. Word of his miracles, healings, signs, and wonders is spreading

like wildfire. CIA operative David Shirazi was born for this moment. He is recruited and sent into Tehran with one objective: use all means necessary to disrupt Iran's nuclear weapons program, without leaving American fingerprints and without triggering an apocalyptic new war. A native Farsi speaker whose family escaped from Iran in 1979, he couldn't be better prepared for the mission. But none of his training has prepared Shirazi for what will happen next. The texts of the present Compendium, seemingly the most comprehensive collection of Shi'i pilgrimage prayers addressed to the Fourteen Infallibles (AS), have been edited by collating reliable sources. Each prayer is preceded by traditions on the merits of visiting the shrine of the Infallible to be followed by the narrations and sources of the prayer. The classification of the prayers is regional, i.e. they are arranged according to the burial places of the Infallibles (AS). Further, mention has been made of

the devotional acts to be performed at each shrine. The contents of the volumes include the following: volume one (Medina) includes the pilgrimage prayers devoted to the Noble Prophet (SAW), Fatimat al-Zahra' (SA), the Imams (AS) and saints buried at the Baqi' Cemetery, and the martyrs of the Uhud Battle; vol. 2: the prayers devoted to the Commander of the Faithful, Imam 'Ali (AS; Najaf) and those said at the Mosque of Kufa; vol. 3: those devoted to Imam al-'Usayn (AS) and Hadrat Abu al-Fadl al-'Abbas (as) and other martyrs buried in Karbala'; vol. 4: those devoted to the Kazimayn, i.e. Imam Musa (AS) and Imam Muhammad Taqi (AS), and the 'Askariyayn, i.e. Imam 'Ali al-Naqi (AS) and Imam Hasan al-'Askari (AS), and those of Imam al-Mahdi, the Twelfth Imam (AS; Samarra' and Kazimayn); vol. 5: those devoted to Imam al-Rida (AS; Mashhad); vol. 6: Ziyarat al-Jami'a, i.e. general prayers and also those devoted to the descendants of the Imams, e.g. Hadrat Ma'suma (AS). New York Times bestselling author Joel C. Rosenberg returns with a pulse-pounding tale of international intrigue that will keep you on the edge of your seat and wondering . . . what if this worst-case scenario comes true? Is it fiction, or is it real? The world is on the brink of disaster. Iran has just conducted its first atomic weapons test. Millions of Muslims around the world are convinced their messiah—known as the Twelfth Imam—has just arrived on earth. Israeli leaders fear Tehran, under the Twelfth Imam's spell, will soon launch a nuclear attack that could bring about a second Holocaust and the annihilation of Israel. The White House fears Jerusalem will strike first, launching a massive preemptive attack against Iran's nuclear facilities that could cause the entire Middle East to go up in flames, oil prices to skyrocket, and the global economy to collapse. With the stakes high and few viable options left, the president of the United States orders CIA operative David Shirazi and his team to track down and sabotage Iran's nuclear warheads before Iran or Israel can launch a devastating first strike. But will they be too late?

In *Encounters with the Hidden Imam in Early and Pre-Modern Twelver Shī'ī Islam*, Omid Ghaemmaghami traces the history of one of the core ideas that animate and form the highly influential and instrumental belief in the Hidden Imam, the central figure of Twelver Shī'ī messianic expectation. An introductory treatise on Islamic beliefs, laws and ethics as well as the early history of the faith in fifty lessons. *Zarurat-ul-Imam, or The Need for the Imam*, spells out in depth the urgency and need for the Imam of the age, and his qualities and hallmarks as the Divinely appointed guide, the voice articulate of the age, and the constant recipient of Divine revelations, and how all these qualities are fully present in the person of the holy author. "The Rise of the Qa'im" is a compilation of narrations on the Mahdi from the most ancient and most reliable Twelver Shī'ī sources. Learn about the birth of the Twelfth Imam, his occultation, his ambassadors, his inevitable return, Islamic eschatology, and much more. "The Rise of the

Qa'im" is the most comprehensive English work on the subject. It includes Arabic sources, footnotes, and biographical evaluations for each tradition. This has been endorsed by eminent Shī'ī scholars and academics as one of the most valuable insights on the Hidden Imam in English. "... an essential compendium concerning the concept of the Mahdi in the English language ... A highly welcomed effort, it is useful for researchers as well as those wanting to understand the idea of the Mahdi within the context of the classical literature on the subject." -- Sayyid Hussain Makke "... a fresh and insightful approach to the translation of traditions concerning the twelfth Imam and the rising of the Qa'im ... it is my hope that this work will be of benefit to all seekers of knowledge who wish to become further acquainted with the Twelfth Imam (ajt) and his coming." -- Shaykh Vinay Khetia "A long awaited and much-needed work for the English-speaking world. In an age where skepticism regarding religious beliefs is prevalent, the author has collected many of the reliable traditions on the subject of the Mahdi (a) and has made them readily accessible." -- Sayyid Ali Imran "The most comprehensive hadith compilation about the twelfth Imam present in the English language." -- Dr. Taymaz Tabrizi "Trained in both secular academia and in the sciences of the seminary Bilal Muhammad combines the very best of both worlds especially when it comes to his methodological rigour in selecting the narrations of this work." -- Dr. Francisco Luis

Now it is about 12 centuries passed from Imam Mahdi's hidden life, and the bothering time of his hidden life will continue up to his reappearance. According to Imam Ridha (as), Imam's reappearance will be extended to the day of Doom, no one knows this but God, it is hard to people and it will happen suddenly. Therefore, any investigation to find the exact time of his reappearance is fruitless and our duty is to wait. The meaning of "waiting for" is to desire his reappearance desperately and looking forward to his reappearance; this waiting results from faith and it is rewarded. In addition, it has spiritual values. Waiting for him, like other religious practices, has practical aspects which is pointed out by our infallibles. Following infallibles' orders in this regard is the duty of people who live in the time of his hidden life. The book deals with the personality of the Hidden Imam, his occultation and everything related to him in an analytical and systematic manner and is penetrating in its subject and exceptional in its domain. Shaikh Saduq has presented strong arguments from the life-story of the Prophets regarding their occultation [ghaibah] to prove the occultation of the Twelfth Imam; and Ahadith have been quoted extensively from the Holy Prophet sawa and the Infallible Imams in support of the writer's contentions. A study of the occultation of the Twelfth Imam using rarely consulted early Shi'ite sources, covering the time period from Ja'far al-Sadiq, the Sixth Imam, to the end of the lesser occultation of the Twelfth Imam.
